# Illinois Paint Horse Association Award Rules

Approved: 11-20-22

Effective: 1-1-23

## General Rules for IPHA Sponsored and/or Approved Shows:

The IPHA will sponsor/approve shows during the show season of January 1 through October 31. IPHA approved shows held from January through March 31 will not count as qualifying shows, but the state points will count towards year-end awards. These shows will be approved for National and IPHA points. Rules governing these shows will be governed by the American Paint Horse Association (APHA) officiating rules.

1. Show Committee – Will be appointed by the President and is in charge of annual shows sponsored by the IPHA.
2. Point System – See award rules listed below. The Point Secretary is appointed by the President and is responsible for the recording of points.
3. Awards Banquet – An annual Awards Banquet will be held, it may or may not be in conjunction with the annual meeting. A committee will be appointed by the President and be responsible for an annual banquet and presentation of the High Point Awards.
4. IPHA Non-Sponsored shows must be presented and approved for Illinois points prior to the beginning of the current IPHA show season.
  - a. The application will pay all fees as described in the fee schedule pertaining to the show. Should approval be denied, the application fee will be refunded. No shows will be approved once the show season begins. This does not apply to the Illinois State Fair show.
  - b. IPHA Fees (office fees) will be collected and paid at all IPHA sponsored and approved shows. The applicant agrees to collect IPHA fees as determined in the fee schedule and remit the appropriate fees to the IPHA Treasurer within thirty (30) days after the show date.
  - c. The applicant agrees to furnish copies of the show results to the IPHA Point Secretary for use in tabulating IPHA points within thirty (30) days.
  - d. The applicant, by applying to the IPHA, agrees to meet all requirements and filing dates of the APHA for an APHA-approved show.
5. The following futurities may be available for the Promotion of the American Paint Horse breed:
  - a. Racing Futurity
  - b. Breeder Futurity

## IPHA AWARD RULES:

1. All exhibitors must adhere to the rules set forth by the Illinois Paint Horse Association and must be an IPHA member in good standing.
2. MEMBERSHIP. In order to receive any IPHA points, the owner(s) or leaseholder(s) of the horse must be IPHA members in good standing. The name on the IPHA membership must match what is on file with the APHA. Points will begin accumulating only after membership is paid. Dues may be paid to the IPHA Secretary or at the entry table at any Illinois Paint Horse Association-sponsored show. Points will be tabulated only at IPHA-approved and/or sponsored shows. If a horse is jointly owned, all persons listed as an owner must be IPHA members.
3. OWNERSHIP.
  - a. Lead-Line exhibitors need not own their own horses. A Lead-Line exhibitor may use any horse, but horse or exhibitor may only show one time in each class. In order to be eligible for the year-end awards, all Lead Line exhibitors, but not the horse owners, must be IPHA members. A Lead-Line exhibitor may change horses during the year and points will continue to accumulate.
  - b. Youth Walk-Trot and Amateur Walk-Trot exhibitors must meet ownership eligibility requirements under APHA rules AM-020 or YP-015 in order to accrue state points.
  - c. If a horse is transferred from one IPHA member to another, the points will still continue in Open classes. If any transfer occurs, please send the Point Secretary some sort of document which shows the date of transfer.
  - d. If a horse is transferred from one IPHA Youth or Amateur member to another, the points will stop on the first owner and begin for the second owner on the date of the transfer. If any transfer occurs, please send the Point Secretary some sort of document which shows the date of transfer.
4. QUALIFYING FOR IPHA YEAR-END AWARDS.
  - a. For any class offered at every IPHA show: You must show to at least FOURTEEN (14) judges at shows hosted by the Illinois Paint Horse Association shows to qualify for year-end awards. The Illinois State Fair show and approved non-IPHA sponsored shows will count for state points but will not count towards the requirement to show to fourteen judges.
  - b. For any class offered only at IPHA Paint-O-Ramas: You must show to at least FOURTEEN (14) judges at shows hosted by the Illinois Paint Horse Association shows to qualify for year-end awards.
  - c. Any classes held only at other specific shows (i.e., IPHA Breeders Futurity, non-IPHA sponsored shows or Illinois State Fair) will not be eligible to receive a year-end award.
  - d. For All-Around Youth Walk-Trot (5-10), Youth Walk-Trot (11-18), Novice Youth, Amateur Walk-Trot and Novice Amateur: Must qualify in three performance classes in their respective division. Performance classes may include Showmanship and any riding class in their respective division.
  - e. For All-Around Youth 13 & Under, Youth 18 & Under, Youth Solid Paint Bred, Amateur, Amateur Solid Paint Bred and Open Solid Paint Bred: Must qualify in one halter and three performance classes in their respective division. Both halter and performance points are counted. Halter classes may include Halter or Performance Halter for the respective division, and Performance classes may include Showmanship or any riding class for the respective division.

f. For All-Around Open Junior Horse (ages five and under): Must qualify in one halter and two performance classes. Halter classes may include Halter or Performance Halter for the respective division, and Performance classes may include any riding class for the respective division.

g. For All-Around Open Senior Horse (ages six and over): Must qualify in one halter and three performance classes. Halter classes may include Halter or Performance Halter for the respective division, and Performance classes may include any riding class for the respective division.

## 5. CLASS AWARDS.

- a. Awards will be given for any class that has exhibitors who have met the qualifying requirements and have won at least .5 state point.
- b. The top five finishers for each class and each All-Around division will be awarded a dollar value. In case of a tie, all persons tied will receive an equal dollar value. For the year-end awards, each person will have the dollar amounts they earned in each class added together to get a total dollar value. There will be categories assigned based on the different dollar values. Each person will be able to pick an award in their category or pay the difference and move up a category. Each person can also pick more than one award from the lower categories to match their dollar amount.

## 6. POINT SCORING.

All Youth and Amateur exhibitors (except Lead-Line exhibitors) will be scored on a one-horse, one-exhibitor basis. Points will be awarded in Youth, Amateur and Open classes in the following manner:

- a. If there are six or more entries, first place gets six points on down to sixth place receiving one point, and the seventh-place horse will receive .5 point.
- b. If there are fewer than six entries, first place receives point equal to the number in the class, on down to last place who receives one point.
- c. Disqualification: When a horse is disqualified in a class, they will still be recorded as showing in the class with a zero score for the purpose of being counted as a qualifying show. EXCEPTION: If a horse is disqualified from a Green class or a Performance Halter class (Youth/Amateur/Open), that horse will receive NO score, and the judges will not count as a qualifying judges.
- d. There will be additional halter points given to each horse which is named Grand or Reserve Champion in each show. The rule is similar to the APHA rule. The Grand Champion horse will be given one more point than any other horse in that sex division under that Judge. The Reserve Champion will receive as many points as any other horse in that sex division under that particular judge.
- e. Points will be allocated to each exhibitor or horse based on age. For example, if an Amateur (Age 45 or over) shows in an Amateur 19 & Over class, those state points will be reflected in the Amateur Masters class. If a Youth (Age 13 & Under) shows in a Youth 18 & Under class, those state points will be reflected in the Youth 13 & Under class. If a horse (Age 6) shows in a combined Junior/Senior class, the points will be reflected in the Senior Horse class.

## 7. ALL-AROUND AWARDS.

For points in a class to count toward an All-Around award, the exhibitor/horse must meet the qualification requirements as outlined in #4 above. Youth, Amateur and Open Halter points will accumulate from eligible divisions. Points earned in Green, Color or Non-APHA classes will not count towards All-Around or weekend awards. # ILLINOIS PAINT BREEDER'S FUTURITY RULES

Approved 11-27-2022 Effective 1-1-2022

These revised Illinois Paint Breeder's Futurity Rules are effective 11/27/2022. All other rule sets are superseded by this copy. It is the stallion owners, mare owners, and member's responsibility to read, understand, and adhere to these rules set forth by the IPHA Futurity Committee and approved by the IPHA membership.

## General Provisions:

### ***Stallion Service Auction/Stallion Service Sale (SSA/SSS) Requirements:***

1. Requirements for mares: Mares must be eligible to have a registered APHA foal, and must be registered with the APHA, AQHA or JC. Mares being booked to AQHA or JC stallions must be APHA-registered.

2. Requirements for stallions:

a. Stallion must be eligible to have registered APHA offspring and must be registered with the APHA, AQHA or JC.

b. Owners of a stallion being enrolled in the IPHA Stallion Service Auction/Stallion Service Sale

(SSA/SSS) for the first time will need to return a stallion nomination contract to enroll his/her stallion in the SSA/SSS prior to December 31st of the previous year.

Stallion owners who advertise private treaty services may select the fee for said stallion at either the PT \$350 or PT \$500 level. All other stallions without a PT service price are started at ½ of advertised stallion service fee with a minimum bid of \$350.

c. Stallion owners may charge chute fees at public advertised rates.

d. Stallion owners must charge TCS charges at public advertised rates.

e. Stallion service sales are from date of auction to December 31st of breeding year. Purchasing stallions outside of this time period is strictly prohibited.

f. Stallions can be added to the SSA/SSS through May 1st only if new ownership of the stallion is established and sale of the stallion service is guaranteed by the new owner.

3. Requirements for Mare Owners

a. The mare owner will be charged a \$25 office fee in addition to the purchase price of the stallion.

b. A mare owner's purchase fee may be returned only if a stallion dies or becomes unfit to breed prior to mare being bred. If the mare dies or becomes unfit to breed prior to being bred, the owner may substitute another mare or be refunded. Notice must be given to the Futurity Chairman prior to December 31st of the contract year to be eligible for a refund. A veterinarian's certified letter must be sent to the Futurity Chairman stating the above. The stallion owner shall notify the Futurity Chairman as to the stallion's status in Futurity participation.

c. If the owner's mare is unclean or produces a lethal white foal, the owner may substitute a second mare or rebreed the same mare the following year only. If the owner's mare dies resulting also in the death of her foal, the owner may substitute a second mare the following year only. Any of the previous situations require the mare owner to report this in writing by Dec 31st of the foaling year with a veterinarian's certified letter.

d. A mare owner failing to present a mare to the stallion during the contract year forfeits all rights to the contract.

4. Mare/Stallion owner has the right to transfer their ½ entry fee to the purchaser of said offspring and will provide adequate documentation for presentation with entry.

5. All entries must be product of stallions entered and sold in the Illinois Paint Breeder's Futurity SSS. Where a mare owner is granted a rebreeding for the following year, the foal will be added to the eligible foals for that year, but the contract amount will remain in the purse for the year the contract was sold.

a. For rebreeding: The Futurity Chairman must be notified with the completed mare rebreed form by December 31st of the breeding year by the mare owner.

6. Only registered APHA Regular and Solid Paint Bred horses are eligible to be shown. All entries must have a current copy of APHA work order or registration papers by the start of the futurity show. Information on entries must match corresponding information on registration papers, or entry will be disqualified from showing. No payouts will be made to horses showing on a work order

until papers are produced. If showing under a work order, any foal found to have been shown in the wrong age division will be disqualified and all monies forfeited.

7. The Futurity will follow special accommodation and handicapped accommodations in accordance with the policies and guidelines set out by the APHA. Letters of Accommodation must be presented to the Futurity Chairman before the start of the Futurity.

8. Entries will be judged by all APHA judges and APHA rules in conjunction with the horse show. The final placing will be determined by adding the numerical value given to each judge's placing, and adding all of those numerical values (example: 10 head in class, 1st place equals 10 points. Two first places, a second, and a third would equal 37 points). If an exhibitor has a conflict of interest with a judge, that judge's score will not be counted. The remaining three judge's numerical values will be added together, divided by 3, and the resulting numerical value added to the three-judge total (example: Three-judge total point value equals 24 points. 24 divided by 3 equals 8. 8 plus 24 equals 32 points, total). In case of tie, a rotation of the judge pool will be used to determine what judge will serve as the tie-breaker judge and announced at the beginning of the class.

9. All entries will be placed first to tenth with core points adjusted to the number of horses in the class.

10. Non-compliance with these rules could result in forfeiture of entry into class and/or winnings.

11. All entry documentation, upon application into the Futurity, becomes the property of the Futurity Committee for future reference of the nominee.

### ***Stallion Service Auction/Stallion Service Sale (SSA/SSS) Requirements - Continued:***

12. Futurity office fee - Any horse showing ONLY in futurity classes, and who is not entered or exhibited in an APHA class shall be assessed a \$20.00 fee.

13. In case of death of a Futurity entry, refunds will only be made with documentation from DVM. Substitutions are allowed only if entered horse is deceased.

14. All exhibitors and owners must be members in good standing of the Illinois Paint Horse Association. Only one APHA membership will be required if showing ONLY in the Futurity classes. If showing in a Non-Pro class a youth or amateur APHA membership is required to be held by the exhibitor. APHA Rules will be followed in regards to who can show the horse in a non-pro class. (Example: Exhibitor is showing in Non-Pro and Open weanling halter but the foal is owned by exhibitors parents, ONLY the exhibitor is required to have an APHA membership and youth or amateur membership. If only showing in the open division, the owner OR exhibitor must have an APHA membership. ALL associated parties must be in good standing with APHA.)

## NEW In 2023

Retro Entry Program : If a stallion sells in the 2023 Stallion Service Sale and has not sold in the past (all existing eligibility rules apply to each individual stallion), all previous foals that are of futurity career age are eligible to show with the following fees: \$150 yearly nomination and regular class entry fees. In order for the previous foals to remain eligible the stallion must be enrolled and sell each year.

(Example: Lazy Loper sells in 2023 but did not sell in any years prior to 2023: ALL of Lazy Loper's (APHA) previous foals are eligible to show in 2023 with the appropriate fees paid. If Lazy Loper does not sell in 2024 then the only foals that are eligible are the resulting foals (APHA) from the 2023 breeding year.) Foals will be eligible for the retro program on a year to year basis. All questions regarding eligibility shall be directed to the futurity chair and committee and will be their final decision of eligibility based on the rules.
