

**ILLINOIS PAINT BREEDER'S FUTURITY RULES**  
**Approved 11-18-2018**

These revised Illinois Paint Breeder's Futurity Rules approved by membership on November 28, 2018, and are effective January 1, 2019. All other rule sets are superseded by this copy. It is the member's responsibility to read, understand, and adhere to these rules set forth by the IPHA Futurity Committee and approved by the IPHA membership.

**General Provisions:**

***Stallion Service Auction (SSA) Requirements:***

1. Requirements for mares: Mares must be eligible to have a registered APHA foal, and must be registered with the APHA, AQHA or JC. Mares being booked to AQHA or JC stallions must be APHA-registered.
2. Requirements for stallions:
  - a. Stallion must be eligible to have registered APHA offspring and must be registered with the APHA, AQHA or JC.
  - b. Owners for stallion being enrolled in the SSA for the first time will need to return a stallion nomination contract to enroll his/her stallion in the SSA prior to December 31st of the previous year.
  - c. Stallion owners who advertise private treaty services may select the starting bid for said stallion at either the PT \$250 or PT \$500 level. All other stallions without a PT service price are started at ½ of advertised stallion service fee with a minimum bid of \$250.
  - d. Stallion owners may charge chute fees at public advertised rates.
  - e. Stallion owners must charge TCS charges at public advertised rates.
  - f. Stallion service sales are from date of auction to December 31st of breeding year. Purchasing stallions outside of this time period is strictly prohibited.
  - g. Stallions can be added to the SSA through May 1st only if new ownership of the stallion is established and sale of the stallion service is guaranteed by the new owner.
3. The mare owner will be charged a \$25 office fee in addition to the purchase price of the stallion. A mare owner's purchase fee may be returned only if a stallion dies or becomes unfit to breed prior to mare being bred. Notice must be given to the Futurity Chairman prior to December 31st of the contract year to be eligible for a refund. A veterinarian's certified letter must be sent to the Futurity Chairman stating the above. The stallion owner shall notify the Futurity Chairman as to the stallion's status in Futurity participation.

If the owner's mare is unclean or produces a lethal white foal, the owner may substitute a second mare or rebreed the same mare the following year only. If the owner's mare dies resulting also in the death of her foal, the owner may substitute a second mare the following year only. Any of the previous situations require the mare owner to report this in writing by August 15th of the foaling year.
4. A mare owner failing to present a mare to the stallion during the contract year forfeits all rights to the contract.
5. Mare/Stallion owner has the right to transfer ½ entry fee to the purchaser of said offspring and will provide adequate documentation for presentation with entry.
6. All entries must be produce of stallions entered and sold in the Illinois Paint Breeder's Futurity SSA. Where a mare owner is granted a rebreeding for the following year, the foal will be added to the eligible foals for that year, but the contract amount will remain in the purse for the year the contract was sold.

**ILLINOIS PAINT BREEDER'S FUTURITY RULES  
EFFECTIVE 1-1-2019**

- a. For rebreeding: The Futurity Chairman must be notified in writing by December 31st of the breeding year by the mare owner.
7. Only registered APHA Regular and Solid Paint Bred horses are eligible to be shown. All entries must have a current copy of APHA work order or registration papers by the start of the futurity show. Information on entries must match corresponding information on registration papers, or entry will be disqualified from showing. No payouts will be made to horses showing on a work order until papers are produced. If showing under a work order, any foal found to have been shown in the wrong age division will be disqualified and all monies forfeited.
8. The Futurity will follow special accommodation and handicapped accommodations in accordance with the policies and guidelines set out by the APHA. Letters of Accommodation must be presented to the Futurity Chairman before the Futurity is to take place.
9. Entries will be judged by all APHA judges and APHA rules in conjunction with the horse show. The final placing will be determined by adding the numerical value given to each judge's placing, and adding all of those numerical values (example: 10 head in class, 1st place equals 10 points. Two first places, a second, and a third would equal 37 points). If an exhibitor has a conflict of interest with a judge, that judge score will not be counted. The remaining three judges' numerical values will be added together, divided by 3, and the resulting numerical value added to the three-judge total (example: Three-judge total point value equals 24 points. 24 divided by 3 equals 8. 8 plus 24 equals 32 points, total). In case of tie, a rotation of the judge pool will be used to determine what judge will serve as the tie-breaker judge and announced at the beginning of the class.
10. All entries will be placed first to tenth with core points adjusted to the number of horses in the class.
11. Non-compliance with these rules could result in forfeiture of entry into class and/or winnings.
12. All entry documentation, upon application into the Futurity, becomes the property of the Futurity Committee for future reference of the nominee.
13. Futurity office fee - Any horse showing ONLY in futurity classes, and who is not entered or exhibited in an APHA class shall be assessed a \$20.00 fee.
14. In case of death of a Futurity entry, refunds will only be made with documentation from DVM. Substitutions are allowed only if entered horse is deceased.
15. All exhibitors and owners must be members in good standing of the Illinois Paint Horse Association.

**Futurity classes offered:**

***Weanling Classification – Halter***

To make a foal eligible to show in the weanling classification of this Futurity, the following conditions must be complied with:

- Entries:
  - AUGUST 15th DEADLINE: Entry of \$100.00 (\$50.00 for the stallion owner and mare owner that bought the stud fee through the SSA).
  - LATE DEADLINE: Entries postmarked after midnight August 15th will be considered late, and subject to a total fee of \$200.00 for each class entered. Late entries will be accepted until ten days prior to the start of the show.
- The owner will be in good standing with all futurity fees paid.

## **ILLINOIS PAINT BREEDER'S FUTURITY RULES EFFECTIVE 1-1-2019**

- All stallion owners and mare owners must enter/declare their Breeders Futurity eligible weanlings by August 15th. Even if an eligible weanling will not be shown its weanling year, in order to remain eligible for one half price entry in an appropriate yearling class and one-half price entry into an appropriate two- / three-year-old class, the weanling must be reported IN WRITING to the Futurity Chairman by August 15th.
- A current copy of the work order/registration papers must be furnished to the Futurity by the start of the Futurity show. Information on entries must match corresponding information on registration papers or entry will be disqualified from showing.
- Upon receipt of all entries, entries will be divided into two divisions – Early and Late. Median numbers of entries will determine the split. In case of an uneven number of entries, the larger class will be the early division. A set of dollar figures will be placed on each entry to determine payback.
